Thought for the Week 05th June

But this precious treasure - this light and power that now shine within us - is held in perishable containers, that is, in our weak bodies. So everyone can see that our glorious power is from God and is not our own. 2 Corinthians 4:7

On Tuesday morning our fellowship group met as usual and we had a good look at this verse, it was the daily reading from Word for today.

We all admitted that we don't always feel as though we have anything very valuable or helpful to contribute let alone treasure, and often don't feel good about ourselves. We are reminded that when we sell ourselves short we sell God short.

Our thoughts and feelings project on to others, at home, work, school, strangers and church. Folk go through a difficult time and very often stay away, let's all keep a careful eye out for anyone we haven't seen lately and get in touch.

We have learned so much about the Holy Spirit lately and last Wednesday night what I learned and was reminded of is that we have to take it out to all we meet and all we have is a 'perishable container' in which to do it.

Andy used the picture of a glowing coal being removed from the fire and it grows cold, let's stay close together and not run the risk of growing cold, I don't want to grow cold.

The evening ended with everyone praying for everyone else. Wow, I have never done that before, I found it a

wonderful experience, I am so glad I was able to be there and receive that blessing, and give that blessing.

It just shows what we can do with this wonderful treasure that we walk around with. Amen.
