For many years TWAM has been collecting used tools in Britain and distributing them to the poorest communities in Africa. The tools are made up into kits and are given to men and women following their weeks of training. Following their training they can return to their villages and set themselves up in a business and earn money to support their families. Arlene and I are the local collectors, so should you have any tools or a friend or neighbour has some then please pass on our phone number 498 526.

BMS BIRTHDAY SCHEME

Happy Birthday to George Cameron whose birthday is TODAY ☺ 17th July. George is part of the BMS birthday scheme.

If you are interested in joining this scheme, please contact Wendy Temple.

Eco Fabric Team

I am looking for two or three people to help me research and implement ECO upgrades to the church. This will start with an overall assessment as to what upgrades will help us most in both ECO terms and improvements to our building. This is likely to include more LED lights, better heating controls, more insulation and a safe and secure bike park. A lot of the work will be desk work researching options online and getting quotes from potential suppliers. So, if you have a passion for our planet and to improve our church facilities and most critically time to carry out research please let me know.

Many Thanks Ed

Alpha Course

Wednesday 7th September

7.30pm – 9.30pm

Dronfield Baptist Church

A series of weekly sessions where you can explore the Christian faith in an open-minded and welcoming environment.

There's no cost or pressure. Just lots of great conversation, space to think. Tea, coffee and cake.

Whatever question you have; you can ask them at Alpha.

During August Coffee Pot will be open 10am to 12 Noon for hot drinks, cakes, and toasted tea cakes. No hot lunches.

RECYCLING - At the last Church Meeting I spoke about a lady called Angela in Newbold who collects many different streams of recycling. I recommended that we go back to collecting dead felt tip pens, biros, markers, correction fluid bottles and correction tape. Also collect the plastic milk bottle tops (red, green and blue) which will go to raise funds for cancer research - but ONLY MILK BOTTLE TOPS NO OTHER TYPES OF TOPS. The third collection will be coffee bags, the ones that look like foil but are in fact plastic - bags from beans, ground, single bags etc. There are three bins in the porch now labelled up. Please ensure you use the correct bin. Any queries please don't hesitate to ask me. Thanks for all you do. Margaret Keen.

OLD T-SHIRTS & BRAS

these are for a lady who teaches CPR as part of first aid training. Before a defibrillator can be used clothing needs to be cut off and it is known that women are slower to be treated with a defibrillator because of having to cut tops and bras in order to carry out CPR. If you have any old tee-shirts (no matter how old, with or without holes) she would be more than happy to have them, also any old bras. Please put these in a bag and hand them to me. Your donations could help save a life. Many thanks. Margaret Keen.

CPR

Thank-you so much to those who sponsored Emma, Millie, Beki and Ruth. The walk was a fantastic event and girls completed it the day after sponsored walk at school. Emma with blisters on both feet. Here is the link for our team page if you feel you can contribute to this great local charity.

Thought for the Week

In Romans 12 Paul encourages the church to use the gifts lavished on them by the Holy Spirit. In verse 8 he speaks about leadership and he urges those who lead to do so with as much 'diligence' as possible. This is where we as a church are a bit stuck.

At this moment in time our leadership team is not diligent. It is not because those in leadership are failing, it is because we do not have a big enough leadership team. Our leadership team are not failing in terms of their godliness, their wisdom, their creativity, or their imagination. We are failing because we do not have enough Trustees to enable us as a charity to function as smoothly as we should.

In the autumn we will be holding leadership elections. This is a good opportunity for you our church to pray and ponder who to ask whether they

would be willing to stand, and for those asked to stand to pray and ponder if it is right for them to do so. A good question to ask in relation to this is: 'What requirements do you need to fulfil this role?'

1 You can lead if you are able to love, since love for Jesus, his church, for those who do not yet know him is something we all share in.

2 You can lead if you are able to listen to Jesus as a member of a team who do not have specific roles as such but who together discern how we are to grow in faith, to live as a family and to function well.

3 You can lead if you are willing to first of all serve Jesus and to serve all within the life of this church.

4 You can lead if you are willing to step out in faith, giving what time and energy you can to ensure our vision as a church continues to be discerned and lived out, our legal responsibilities fulfilled and for Jesus to be glorified in all things.

5 You can lead if you are willing to complement both Andys' competencies and failings, since we can't do everything, but more importantly together we are privileged to be used by Jesus to enable all in this church to grow more into the likeness and glory of Jesus.

Do you meet these requirements? Well, none of us do, but at the same time all of us do. So please pray and ponder if you're asked in the autumn and as you do, may you be willing to also say yes.

Andy Gore

Prayers for Healing

The first Sunday of each month starting on 7th August at 6pm we will be holding Prayers for Healing, we will pray with anyone in person, or anyone can ask for prayer and we will pray for them. We will have a poster outside inviting passers-by to come and join us. It will be very informal.

The Pastoral Team: The pastoral team is here for you and members are happy to help. Please make sure that we are made aware of anyone's needs. Do tell us, we really don't mind if more than one person makes us aware of a need. Our contact details are below:
