## Thought for the Week

God is good and God has a plan and that is good as well. I'm sure I'm not the only one that has been holding on dearly to those truths over the past few months whether in our personal lives or our corporate life as a church. We see individual snapshots, but God sees the bigger picture that they are part of.

I was very sorry that I couldn't be with the fellowship in person last Sunday as we reached a significant milestone in our "Shape of Future Ministries" journey. I believe that the leadership and the whole church will be truly blessed by Heather,

Moyra and Paul and their willingness to be part of our leadership team. I'm very happy that we agreed some specific new teams and ways of working with leaders for two of them and opportunities for two others. I'm excited about a new way being proposed of how we "Do Life Together" and I'm excited that this is a continuing journey that we have started.

I thank God for speaking through so many people that have actively engaged with this process and in particular for all those that have encouraged me and others to keep going. I thank God for opening some doors and closing others.

I do now pray for us as a church, I pray that God will bring us together, blending our individual snapshots into a beautiful video. Lord, we ask you to pour out your Spirit of love, unity and loyalty on us. Help us to work together, guarding our friendships, protecting our teams and giving us wisdom to deal with any challenges that lie ahead.

Jer. 29 11 For I know the plans and thoughts that I have for you,' says the Lord, 'plans for peace and well-being and not for disaster, to give you a future and a hope.
