7-9pm

Dronfield Baptist Church

**Face the Facts,
Forge the Future**

An eye-opening film featuring nine leading UK scientists and experts updating us on the latest in the climate and nature crisis and its impacts on everyday life including

- extreme weather
- food security
- health
- cost of living
- national security

followed by

- free light refreshments
- information on local groups, resources and activities that can help
- discussion of what we can do together in Dronfield to make a difference

The 50-minute film is based on the National Emergency Briefing in Westminster, as covered on tv, and features Chris Packham, Deborah Meaden, Jennifer Saunders and a wide range of Brits.
