How do you know God  
loves you?

How can you show you  
trust God?

She said to herself,  
“If I only touch his cloak,  
I will be healed.”  
Jesus turned and saw her.  
“Take heart, daughter,” he  
said, “your faith has  
healed you.”  
Matthew 9:21-22

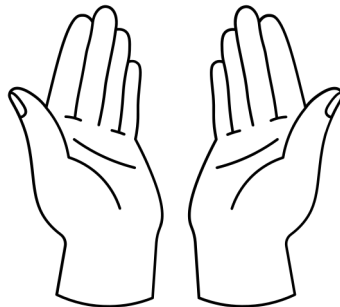

What stops you from  
being faithful?

What do you need  
courage to be faithful for?

Write or draw about a time that God showed you he is faithful.

Give thanks to God for these things.

Take a stone from the basket and hold it.

Tell God about the things you find hard about faith. What makes you nervous to step out?

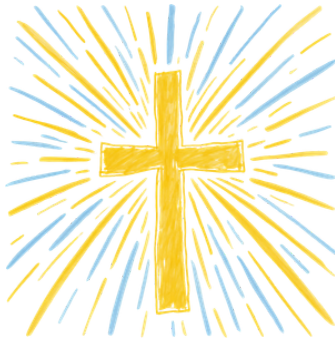

Take your stone with you as you move to table 3.

Ask God to give you courage to live your life faithfully.

Place your stone around the cross.

Promise God you will be faithful to him, in your acting, accepting, speaking and listening.

Take away a picture of the woman touching Jesus' robes as a reminder that even seemingly small acts of faith can make a big difference.
